Transtelco Announces Acquisition of an additional Mexican National Telecommunications Concession

Transtelco expands its ability to deliver services into new areas of Mexico

El Paso, Texas, / Ciudad Juárez, Chihuahua, November 21st 2010 – [Transtelco](http://www.transtelco.com) today announced that it has acquired an additional Mexican Telecommunications Concession in Mexico by the name of CODINET S.A. de C.V. for an undisclosed amount. This new Mexican Telecommunications Concession enables Transtelco to expand its reach and footprint from a regional Telecommunications Service Provider to a nationwide Telecommunications Service Provider in Mexico.

“The addition of the CODINET National Concession to Transtelco’s existing Regional Concession empowers Transtelco to expand its wide variety of services into new areas of the Mexican Republic” said Miguel Fernandez – CEO, Transtelco.

About Transtelco
